ARCADIA GAIN PICNIC 11-3-2018

The Arcadia Osborn Neighborhood Association and the Arcadia Camelback Mountain Neighborhood Association joined forces again this year to hold the annual Arcadia GAIN (Getting Arizona Involved in Neighborhoods) Picnic. A few weeks ago, the original picnic date was cancelled because of rain. We were fortunate that our friends at the Shemer Art Center were holding their annual art festival, and Shemer Director Shonna James invited AONA and ACMNA to share the Shemer Art Center grounds with them on Saturday November 3rd.

It was a terrific day, for a spectacular neighborhood event. By some estimates, there were about 1,500 Arcadians and Art Festival guests at Shemer on Saturday. In addition to beautiful artwork, attendees enjoyed jazz, country western music, a bounce house for children, Mathnasium, bean bag games, Mac & Cheese food truck, burgers, hot dogs, snacks, special PD vehicles, Phoenix Police Department SWAT and Canine teams. Best of all, neighbors talked with neighbors.

What a Great Day!

Listening to the bands; eating; art, talking and laughing with friends. If you weren't there, you missed a fun event. But, we promise the Arcadia Picnic 2019 will be as good, or better than the one this year. AONA And our neighbors in ACMNA will Continue to make Arcadia a great place to live, work and play
